ACCOUNT ACCESS

Ideally, you have the same login ID and password for all three logins, and change all three passwords *at the same time* to avoid forgetting your combinations.

HSC Net ID

- Changing your password
 - Go to <https://hscpass.health.unm.edu> while on HSC Secure Wireless
 - Password requirements
 - Must contain between 8 and 20 characters
 - Must not repeat a character more than twice in a row (e.g. RR is ok, but RRR is not)
 - Must contain characters from at least 3 of the following characters sets:
 - Numbers
 - Upper case letters (A, B, C...Z)
 - Lower case letters (a, b, c...z)
 - Special characters - any of the following:
!"#\$%&'()*+,-./:;<=>?@[]^_`{|}~
 - Your password cannot include your Net ID (username), first, middle or last name
 - Passwords are case-sensitive; the character 'A' is not the same as 'a'.
- UNM Hospital Help Desk Phone Number: 272-DATA

UNM Net ID

- Changing your password
 - Your default password will be Hs_##### (where ##### is the last 6 digits of your SSN)
 - Go to <https://netid.unm.edu/>
 - Make this password the same as your HSC Net ID password
- UNM Main Campus Help Desk Phone Number: 272-5757

Cerner (Firstnet)

- Changing your password
 - Login to Firstnet → select Task at the upper left hand corner → select Change Password
 - Make this password the same as your HSC Net ID and your UNM Net ID passwords
- UNM Hospital Help Desk Phone Number: 272-DATA
