

# Substance Use Resources in Sandoval County

Your doctor thinks that your use of drugs or alcohol may be bad for your health. We recommend that you follow up with a substance use treatment program.

Some of the programs that we know of are listed below. We don't recommend any one program. We hope this information will help you find the program that is right for you.

## Circle of Life Behavioral Health Network

Española, NM

- For Native Americans from New Mexico
- Counseling and treatment for adults and teens
- Residential substance abuse treatment program for adults
- Domestic violence counseling
