

Android Mobile Device Remote Access Setup

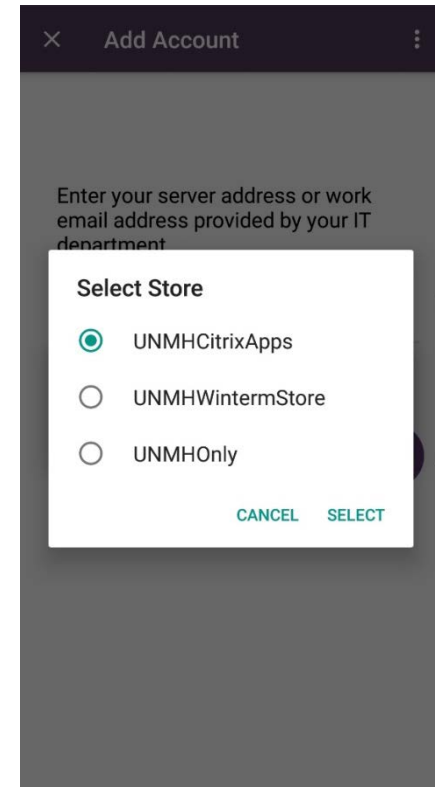

1. Download the Citrix Receiver app.
From the main Citrix Receiver page, click Add Account and enter the following server address.
2. Enter your HSC Net ID and password.
3. Choose UNMHCitrixApps and click Select.

The screenshot shows the 'Add Account' screen in the Citrix Receiver app. At the top, there is a dark purple header with a close button (X), the text 'Add Account', and a menu icon (three dots). Below the header, the text reads 'Enter your server address or work email address provided by your IT department'. A text input field contains the URL 'https://citrixweb.health.unm.edu'. Below the input field is a checkbox labeled 'Add account type as Web Interface'. At the bottom right, there is a purple circular button with a white right-pointing arrow.

The screenshot shows the 'Add Account' screen with a white login dialog box overlaid. The dialog box has a 'User name' label and a text input field containing 'YOUR HSC NET ID'. Below that is a 'Password' label and a text input field with a toggle icon (an eye) to its right. At the bottom of the dialog box are two buttons: 'CANCEL' and 'SIGN ON'.

The screenshot shows the 'Add Account' screen with a white 'Select Store' dialog box overlaid. The dialog box has the title 'Select Store' and three radio button options: 'UNMHCitrixApps' (which is selected), 'UNMHWintermStore', and 'UNMHOOnly'. At the bottom of the dialog box are two buttons: 'CANCEL' and 'SELECT'.
