

Apple Mobile Device Remote Access Setup

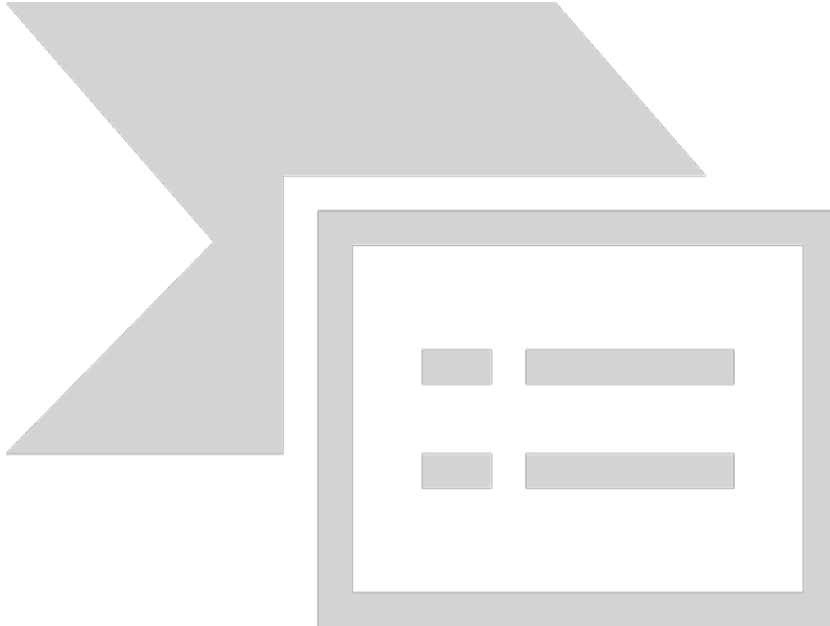

1. Download the Citrix Receiver app. Make sure that you are on the HSC_Secure wireless network.
From the main Citrix Receiver page, click Add Account.

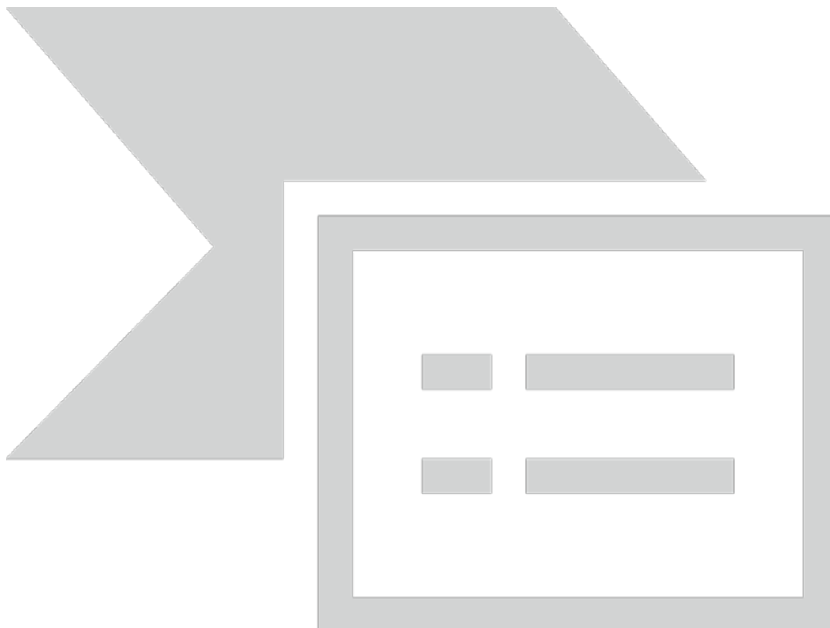

2. Select Options then Manual Setup in the lower left side of the screen.

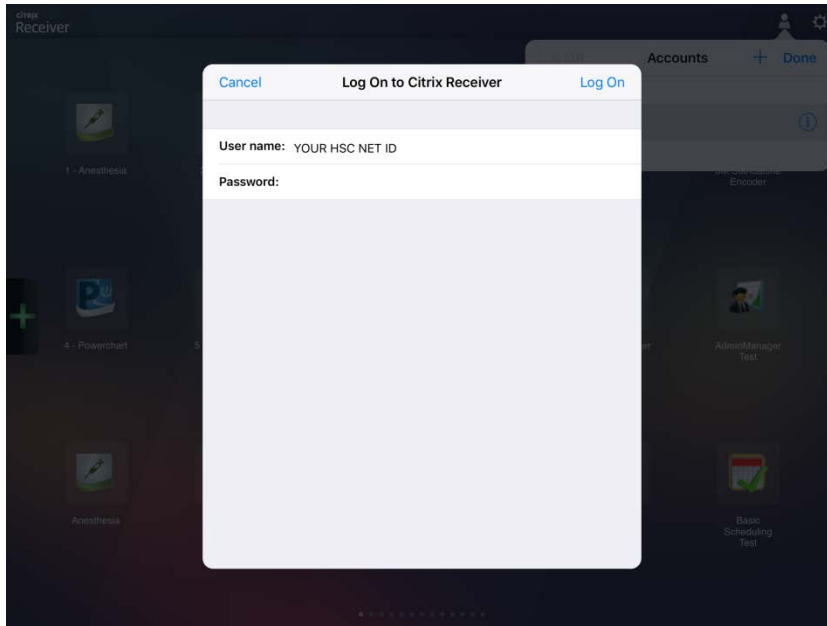

3. Enter the following entries, select the settings as shown below and click Save.

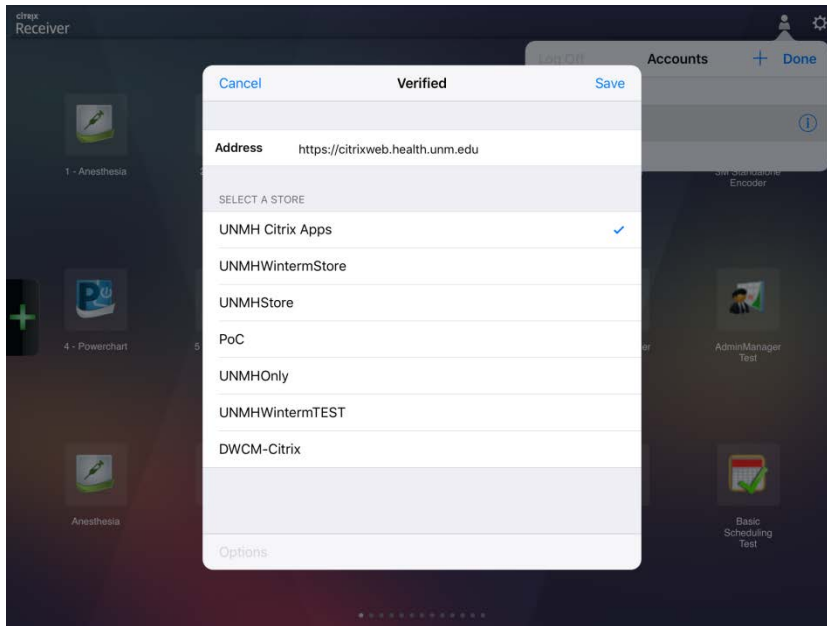

4. Click OK.

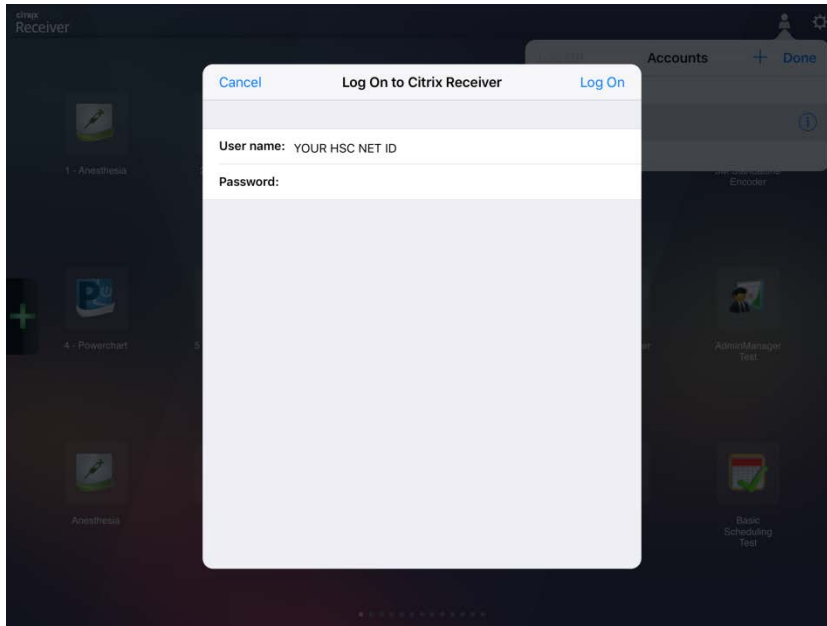

5. Enter the following entries and click Log On.

6. Select UNMHCitrixApps and click Save.

7. Enter the following entries and click Log On.

Note: If you later attempt to log on while at home or on the HSC_Guest wireless, you will need to enter "health" for the domain after doing the above steps.
