

## **Learning Central Modules**

1. Go to: <https://learningcentral.health.unm.edu/learning/user/login.jsp>
2. Log in using your HSC NetID and password.
3. Complete the required modules already preloaded in your account.
4. Complete the following additional modules:
  - Online Firstnet Training for Physicians
  - Dragon Front-end Dictation Training (interns and fellows do NOT have to do this)
  - UNM Hospitals Citrix Software Authorization for Remote Access to PowerChart
  - IntelliSpace PACS and LifeIMAGE Training Module
  - UNM Health System Virtual Private Network (VPN) Access Authorization for Remote Network Access
  - NMHIE Clinical Portal Training for Providers
  - EDRU Modules (search for EDRU – there are multiple modules)
